

RIVERVIEW CHRISTIAN AFFIDAVIT OF VOLUNTEER UNDER AGE 18

SECTION ONE: SHOULD I BE A VOLUNTEER AT RIVERVIEW CHRISTIAN?

Before filling out the following form please read this paragraph carefully:

We at Riverview Christian depend on volunteers to provide services for children such as nursery care and Sunday school. While we are grateful to those willing to help with these services, our first commitment is to the spiritual well being of each member of the body, which includes our volunteers. We believe a volunteer should have first received proper biblical instruction before they take part in the training of or caring for our children. This comes by being present in church on Sunday morning as well as personal Bible study during the week. **Please answer the following questions.**

Yes ____ No ____ I attend church at least 2 times per month.

Yes ____ No ____ I read my Bible and pray regularly at home during the week.

If you answered "No" to either question, we would like to help you be more grounded spiritually before you volunteer with the children.

If you answered "Yes" to both of the above, you may proceed to Section Two.
